Why our patients choose us

Our recent survey revealed that most patients choose us because of our clear and affordable all-inclusive pricing.

Supporting services, research and personalisation

Our service delivery is supported by **London Sperm Bank** whilst our partnership with **London Women's Clinic** provides access to cutting edge research.

93% of patients would recommend us to others

'We were made to feel part of the family and our first IVF experience was nothing but perfect.'

'The staff at Canterbury were absolutely amazing, no question is too small to ask, they are truly there every step of the way.'

'The staff are kind and knowledgeable. The process is fast. Transparent prices with no hidden costs.'
